CAPTAINS MESSAGE

As Captains of Baltinglass GC for 2024 we are honoured and privileged to represent Baltinglass GC in the year ahead and we are very grateful for the many good wishes and support from our fellow members.

Baltinglass GC has a well-earned reputation for great hospitality and a lovely family atmosphere.

We are very proud of our course which is always presented in great condition and provides a true challenge for golfers of all skill levels. None of this would be possible without our staff who work tirelessly along with the volunteers who serve on various committees, work on the course and clubhouse. We thank you for your dedication and time, it is very much appreciated.

The Management Committee are working with Golf Ireland to develop a 3-year Strategy plan for our Club. We will be seeking the views of our members. This plan we hope will encapsulate the feedback from you, our members. This will be a comprehensive strategic document outlining the goals that we are aiming to achieve in time for the Club's Centenary Year in 2028. It will cover the Golf Course, Management & Governance, Membership & Green fees, Marketing & Communications, House, Social and Practice Facilities.

2023 was an exceptional year for Baltinglass GC. Our Junior boys won The All Ireland Junior Foursomes and the Fred Daly Leinster Central titles. Our Ladies won the Leinster Central Minor Cup. We anticipate further success in 2024.

To our sponsors thank you for your generosity and support. We are delighted to say that both Ladies & Men's sections will have a very busy golfing calendar in the year ahead.

We would like to acknowledge our partnership with Baltinglass GAA who facilitate our weekly Lotto. The funds raised from sales will go towards our Centenary celebrations in 2028.

We look forward to representing our great club and welcoming both members and guests on the fairways and in the clubhouse throughout 2024.
